DIGITAL MEMBERSHIP

A shared library for your school

Hewston Higgins brings illustrated books, printable activities, posters and teaching guidance together in one private library. Staff can choose resources for shared reading, learning, communication, routines and wellbeing, then adapt their use to the pupils they support.

What membership includes

All active memberships can access all active published digital books and educational resources, within the agreed licence and download allowances. Eligible new releases are included after completion and review. Unfinished materials are excluded; no minimum release schedule is promised.

Annual school prices

School size	Membership	Annual admin	One-year total
Up to 150 pupils	£349	£50	£399
151-350 pupils	£499	£50	£549
351-700 pupils	£699	£50	£749
701+ pupils / MAT	From £999	Confirm in quote	Written quotation

The band uses the full registered pupil roll of the named school, including pupils outside an intervention or SEND cohort. Two or more settings require a written multi-setting or MAT agreement. Your itemised quotation confirms scope, tax treatment and total cost.

One, three or five years

One-year school agreements include the £50 administration fee on joining and each annual renewal. The fee is waived throughout three-year and five-year commitments; membership remains billed annually. Longer terms are commitments, with payment, renewal and any early-exit arrangements set out in writing.

A five-year agreement protects the original agreed annual membership charge for the same scope through consecutive five-year renewals without a break, while the service remains offered. Annual payments continue. Read the accepted licence for the price-lock and renewal conditions.

LICENSING AND USE

Clear permission for everyday teaching

A school licence covers the registered setting, its approved staff and enrolled pupils within the agreed full pupil roll. It gives the team a shared resource bank while keeping the boundary between schools clear.

In the classroom

Approved staff may display eligible digital books on classroom screens and print or photocopy supplied printable activities and companion pages for licensed pupils. Use the original licensed master. Keep electronic files in secure storage available only to authorised staff; use individual portal accounts where supplied.

A single-school agreement does not cover another school, campus or setting. Do not publish or resell resources, create public download links, share outside the licence or remove identifying licence information. Separate purchased resources keep their own supplied licence.

Shared download allowances

School band	24 hours	7 days	30 days	Year
Up to 150 pupils	5	15	50	Up to 150
151-350 pupils	10	35	120	Up to 350
351-700 pupils	15	70	240	Up to 700
Large setting / MAT	20	100	400	Up to 1,000*

Limits count unique resource files across the organisation, not copies printed for licensed pupils or separate allowances for each staff member. The short windows roll over 24 hours, seven days and 30 days; the annual limit follows the membership year. Repeat downloads within a window do not use another unique-resource slot.

*The school annual allowance is capped at the lower of the band ceiling and approved pupil roll, unless a separate allowance is expressly agreed. Separately listed sizes count separately; a listed multi-page pack counts once.

When membership ends

Private library access and permission to use member resources end with the active licence. Stop displaying, printing and distributing them, and delete electronic member masters unless a written permission continues. Previously issued pupil copies need not be recalled. Separately purchased physical books remain yours.

This is a summary. Your accepted licence, quotation and school schedule govern the agreement. Read the current written licence at hewstonhiggins.com/membership-licence.

BOOKS AND AUTHOR VISITS

Add the experience that fits your pupils

Digital membership, printed books and author visits can be combined or ordered separately. Choose the title, format and session around your pupils, staff priorities and budget.

Printed books and class sets

Standard individual paperbacks are £14.99. Only completed, available print editions can be ordered. UK tracked delivery is £3.99 below a £50 physical-book subtotal and free from £50.

For class sets or larger orders, request a title-specific quotation. Bulk discounts, production time and dispatch arrangements must be confirmed against the chosen edition and printer quote; this proposal does not promise a volume discount before those costs are agreed.

Author-led school visits

Visit	Current price	Indicative format
Single session	£175	45-60 minutes for one class
Half day	£325	Up to three sessions
Full day	£550	Up to five sessions
Bespoke programme	From £650	Scope agreed before booking

Books are not included in visit prices. Confirm topic, dates, travel, group sizes, accessibility arrangements and the final written quotation before booking.

Arrange your school quotation

Send your school name and URN, full pupil roll, number of settings and the name of the authorised contact. Tell us which resources, books or visit topics interest you and whether you prefer a one-, three- or five-year membership.

We will confirm the licence scope, download allowance, itemised annual charges and any separate books or visits before you commit. Account activation follows the agreed identity, licence, contract and payment or purchase-order checks.
