Joss and the Cinema That Forgot Its Ending

Give a film its last frame

You can draw, point, write or talk it through with someone.

Have a go

A film stops before the ending. Joss has three clues: a paper star, an empty seat and a faint bell. Choose one to put in your opening frame.

Try another step

Draw a middle frame and a last frame. Use the same clue again in the ending so a viewer can work out why it mattered.
