Find the lost stop

Which stop fits both clues?

Clue 1 • Under the river

Clue 2 • Clock with no hands

Clock Yard • Above ground • Clock has hands

Bell Court • Under the river • Clock has hands

Lowwater • Under the river • Clock has no hands

Keep the details where you can find them

Where? Platform Zero. When? Before midnight.

Think of a journey or plan. What are two details you’d want to be able to check later? Write them down, say them to someone or save a note on your phone.

Detail 1

Detail 2

Could you write that down so I can check it later?

Choose one thing to do first

Job: find the tile. First move: check the clock. After that: look for how it opens.

Think of a job with several parts. Choose one action you could actually do now.

My job is…

My first move is…

Then I can…

Ask for backup

When several people speak at once, I lose track. It helps if one person talks at a time or writes down the important bit.

Think of a friend or adult you trust. What could they do that would make a difficult moment easier? Use the card to write it down or practise saying it.

I find it harder when…

It helps when…

Could you…?

Talk about the adventure

At what point did Joss and Leila have enough information to find Lowwater?

What did Leila do that made it easier for Joss to follow the clues?

Which idea from the book could you use on a journey, at home or when making plans with friends?
