Mina and Jude’s Discovery Fair

# Spend five pounds at the fair

You can draw, point, write or talk it through with someone.

## Have a go

Mina and Jude have £5 to prepare a stall. Paper costs £2, string £1 and a sign £3. Choose two different items. Work out what is left.

## Try another step

Imagine the string now costs £2. Which two-item combinations still fit the budget? Show your thinking with coins, numbers or pictures.

**Check your thinking**

At the new prices all three pairs still fit: £4, £5 and £5.
