Rupert & Little Girl: The Vanishing Rainbow

Investigate a rainbow clue

You can draw, point, write or talk it through with someone.

Have a go

Imagine Rupert and Little Girl find three strips of colour by a door. Draw the strips and a clue that might help the dogs decide where to look next.

Try another step

Make one prediction about what is beyond the door. Mark which part of your drawing gave you the idea, then add a question that is still open.
