The Museum of Things We Nearly Threw Away

Turn an envelope into an exhibit

You can draw, point, write or talk it through with someone.

Have a go

Choose a clean used envelope or draw one. Turn its flap into a roof, a fin or something you invent. Add just two details to show your idea.

Try another step

Give the object a museum label. Name the exhibit and one thing you want visitors to notice. Point it out on a pretend museum tour.
